THE STORY OF ONE PIECE

時は大海賊時代。いまや伝説の海賊王G・ロジャーが遺した『ひとつなぎの大秘宝』をめぐって、幾人もの海賊達が旗をかかげ戦っていた。そんな海賊に憧れるルフィは、海賊王を目指して航海に出る!!

〝偉大なる航路〟突入を果たしたルフィ達は、世界最高の船大工が集まる「水の都」に到着。船大工にG・M号の修理を依頼するが、損傷は激しく、苦渋の末、ルフィはG・M号と別れ、新しい船を手に入れると宣言。それに激怒したウソップは、ルフィと対立し、船を下りてしまう。さらにはロビンも一味を離脱してしまう。激震走る麦わら一味の行く末は…。

CP9は古代兵器〝プルトン〟の設計図を奪う為、市長を襲撃。だがそれはフランキーが所持している事が判明し、彼とその場に居たウソップを捕縛。そしてその古代兵器を復活できる唯一の存在、ロビンも連れ、海列車で司法の島・エニエス・ロビーへ向かう。単独行動をとっていたサンジはロビン救出の為、その列車へと乗り込んだが…。

一方、W7ではCP9に吹き飛ばされたルフィとゾロの捜索が続いていた。そして高潮来襲の寸前で彼らを発見、救出に成功する。そこでルフィはロビンが仲間を想うが故に一味を離脱したと聞き、彼女を取り戻す為、追いかける事を決意!もう一台の海列車にガレーラ、フランキー一家を乗せ、先行する列車を追いかける!!

--Roronoa Robin

Oda: Hi, thanks. Hello everybody. This is the author, who placed a swan-shaped training potty on his head, dressed as a ballerina, and had just salvaged some pasta alla carbonara when he carelessly allowed a reader in Parisian garb to begin the corner. Well then, let's go!!

Q: What would happen if you got goosed with the Finger Pistol?

--Pacchon the Third

A: You'd die.

Q: Does Nami wear a strapless bra? Or does she just not wear one at all?

--Tasshii

A: I'm rooting for "no bra at all," personally.

Q: Hello, Oda Sensei!! Um, so, where does Paulie pull that rope of his from? And how do you decide the names of his tricks, like Rope Action "Half Knot"? D-Don't tell me…that you just randomly pick something! Please let me know!

--Pig-chan

A: Paulie's rope comes snaking out from under his sleeve. There's apparently a lot of rope rigged up inside the lining of that coat of his! And I don't just make up the names of his tricks, really! Sailing ships have an absolute ton of rope on 'em, and being in charge of them is an important job--lives can hinge on what kind of knot is used! So the names of his tricks are taken from among the many knotting methods. (There are more than 200 knots!) But if there isn't a knotting method that works with the situation...then I just make up the name!

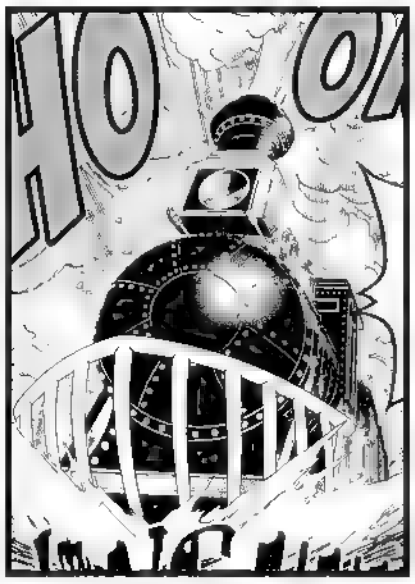
Reader: Oda Sensei, caaaaatch! TOSS
It's a love-bomb present ♡!
--I'm a guy, okay?!

Oda: Yaaay, a present, thank y-- KABOOOM!!! THWOMP!! TWEET TWEET "HOOONNK"! (Translation: The impact from the explosion thrust me right into the center of a BIG cuckoo clock, and there were stars and little chicks flying around my head. Then I popped out of the clock instead of the cuckoo and whistled like a train, with smoke coming out of my mouth.)

Q: Oda Sensei, hello. A while ago I was watching TV and saw some engines called "Puffing Billy" and "Rocket," and it startled me. Is that what you based Puffing Tom and Rocketman on?

--Octopus



PUFFING TOM

A: Whoa! There was a program like that? That's it exactly. "Puffing Billy" is the name of the oldest engine in the world. "Rocket" is the name of an engine that was famous for its speed a long time ago. Well, they look completely different from the manga engines, but still. By the way, when I was researching how to draw engines, I found out that the name of the guy who designed the world's first steam engine was "Thomas." "I see, so that's where that famous kid's program came from," I thought.

Q: Pass the soy sauce, will you?! --Friend of "Pass the Salt, Will You?!"

A: Oh, sure. Here you go.

Q: Please tell me what Michael and Hoichael from the back alleys look like. It's been bugging me so much I can't get up in the mornings.

--Sanji-boy LOVE

A: So people really did wonder about these guys. I got a lot of questions like this. Well, sure, they're so bad Lulu and Tilestone were convinced they were the assassins who went after Iceberg. Michael and Hoichael: Prepare yourselves, then take a look at these two delinquents, affiliated with a certain gang!!

Water Seven Back Alley Elementary School, Sixth Grade, Group 5 (age 12).

In six years, they've been sent to the counselor 620 times. They've broken a total of 997 school windows.
Their Record: Includes reckless bull riding, shoplifting from the supermarket, etc. Their Motto: Mmm, Super!!
Their Idol: Franky (they respect Paulie too).

Q: Oda Sensei, hello! I found another item in your bird names series!! It's Mozu, right?!

--Mai

P.S. Twice in a row I meant to write "strange" (変) and twice in a row I ended up writing "love" (恋) instead. Who do you think we can blame for that?

A: First off, you wrote "love" because you haven't practiced your kanji enough! (Being serious here.) And "Mozu" is definitely the name of a bird, but "Kiwi" is also a bird. There's a fruit that looks like the Kiwi bird, called a kiwi fruit.

...ENIES LOBBY.

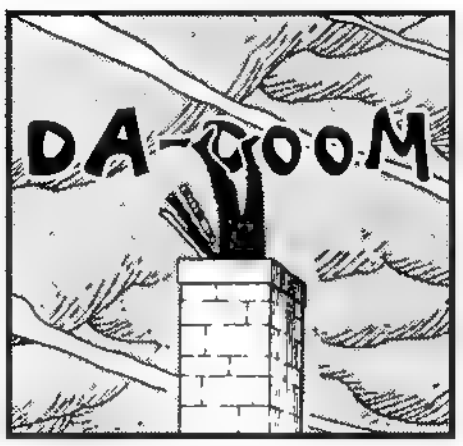
Q: Oda, good day, poop. I had a question for you; it's about the fourth panel on page 180 of volume 34. Isn't that a burglar right there in the money exchange, plain as day?! What is he up to? Poop.

--Ji

A: "Poop, poop"! Man, you're gross! If you like poop so much, you should become poop when you grow up. (←Now there's an ambition.) Now then, sometimes people will tell you not to judge people by appearances and things to that effect, but yeah, that's a burglar no matter how you look at him. Of course I think he's someone who was trying for Luffy and company's money, but he ran out of luck when he decided to go after pooo-werful (← not "poop") pirates. Apparently he overheard that they had bounties on their heads, and then he couldn't do anything.

Q: Oda! If you don't want to be squeezed into a container jam-packed with sea urchins, please answer this question! On page 65 of chapter 360, in volume 38, Zolo's stuck in a smokestack, but if his "foot slipped," you'd think he'd have fallen forward or gone in feet-first. So how did he end up stuck like a sea anemone?

--Mahito



A: First of all, Lucci sent Zolo flying from the Galley-La mansion, and he then fell into the ocean. He managed to get out of the ocean, soaking wet, and then... what on earth happened to him? Zolo: "Dangit, I got thrown quite a ways, didn't I?" "Where am I?" "Okay, I'll try looking around from up on that smokestack." "Up we go." "Whoops, that was close--I almost fell down into the smokestack." "But, hey, that's a pretty deep hole." "I think I'll try looking down into it." STARE! SLIP! JAM!

I GET IT NOW... THEY TOLD ME THEY KILLED HIM!!
THAT JERK. STUPID ICEBERG...
OH, THAT'S GREAT. HOW ABOUT THAT? HE'S ALIVE!

.....
.....

STILL, I'VE GOT THE BLUEPRINTS FOR A WEAPON...

.....

ISN'T THAT WHAT PEOPLE CALL BEING NICE?

...

AND WHEN THAT POWER ACTUALLY MANIFESTS IN THIS WORLD...

THE GOVERNMENT BAGGED THE TWO KEYS TO THE REACTIVATION OF THE ANCIENT WEAPON IN ONE STROKE.

...AND YOU CAN ACTIVATE A WEAPON THAT ALREADY EXISTS.

...THE GOVERNMENT WILL TRY TO END THE AGE OF PIRATES, OF COURSE.

.....

MY MASTER DIDN'T PUT HIS LIFE ON THE LINE TO PROTECT THOSE BLUEPRINTS...

AND AFTER THAT, ALL THAT EXCESS MILITARY FORCE WILL GRIP THE WORLD AND DESTROY IT.

...FOR A STUPID FUTURE LIKE THAT. I DON'T PLAN ON STAYING TRAPPED LIKE THIS.

THAT'S HOW MUCH OF A THREAT THOSE ANCIENT WEAPONS ARE.

I CAN'T.

I'LL HURT THEM JUST BY BEING WITH THEM...!!

YOU NEED TO GET BACK TO THE STRAW HATS SOMEHOW TOO.

AND, SEE, EVEN IF I GET AWAY CLEAN, THERE'S NO POINT IF IT'S JUST ME.

...IN BUILDING A SHIP, NO MATTER WHAT KIND OF SHIP IT IS!

THERE'S NOTHING GOOD AND NOTHING BAD...

...NO MATTER WHAT WEAPON YOU'VE GOT...

...JUST *BEING* ISN'T A CRIME!!

YOU'RE NOT THE ONE WHO'LL BE HURTING THEM, RIGHT?

THE GOVERNMENT PEOPLE CALL YOUR EXISTENCE A CRIME, BUT...

EXISTING IS NOT A CRIME !!!

FOR AS LONG AS SHE CAN REMEMBER, HER VERY EXISTENCE HAS BEEN A CRIME.

WHAT WAS WITH THAT HUGE FROG?!

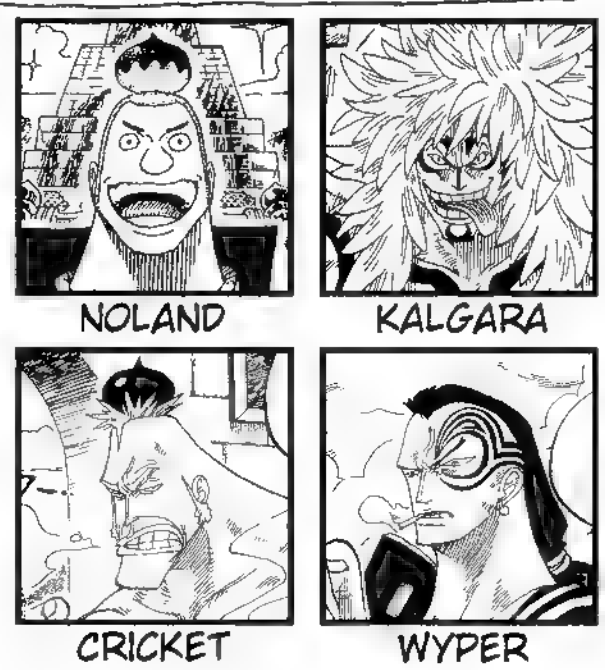
ENIES LOBBY IS IN VIEW!!

Q: I've got a question. Of course this goes for the main story as well, but sometimes the titles of each chapter of *One Piece* bring tears to my eyes. Like the title of chapter 292: "To Meet, Like the Half-Moon Hidden by Clouds." I thought it was just a haiku about the moon, but it also expressed the situation surrounding Jaya Island and the Shandians! I'm a complete sucker for unexpected thrills like that. Oda, which of the chapter titles you've written so far do you like best? I'd like to know.



--Nenza (I also like "The Second Person" and "Isn't it?!"!)

A: Wow! What a careful reader! Having somebody interested enough to read so thoroughly is the highest reward a manga creator could ever hope for. Thank you. You're right about the chapter titles. Sometimes I'm really particular about them. Actually, when I hit on a good title, I do think "Woo-hoo!" etc. But after all, it is just one part of the whole work, and it would be pointless for me to go on and on about how "this title here means this, that and the other," so it's enough for me to know that some people out there are paying attention. I'll keep playing around with concepts in the future, too.

Q: It's time for all good kids to go to bed! (Making sure they're all asleep…) Okay, now Question Corner for adults begins. Oda! In chapter 366, Sanji makes a phone call to Nami; where did Nami pull that baby transponder snail from? Apparently women possess various places where they can hide things. It's been really, really bugging me, and I keep thinking about it, and I can't sleep at night! Think you could give me a hint, Oda? Thanks a ton!

--Casey Keisuke

A: Hey now, this is dangerous territory, y'know?! It's a hidden, unmapped region, y'know?! The hidden Nami Valley?! Once you wander into that, you'll never... POW! Ouch! Something came flying at me! Ah! I'm a good kid, so I've gotta get to bed now! Okay, everybody, see you next volume! SNOORE! POW! Ouch!

Chapter 376:
I GOT IT!

MS. GOLDEN WEEK'S PLAN, A BAROQUE REUNION, VOL. 14:
"HINA STRIKES"

I AM A FRIEND OF MR. USOPP'S. HE ASKED ME TO LEND YOU A HAND IN THESE CIRCUM-STANCES, SO HERE I AM!!!

THAT'S CORRECT...

SNIPER KING FROM SNIPER ISLAND ?!!!

I SEE! SO HE'S A HERO BECAUSE HE'S GOT A CAPE? HOW COOL IS THAT?!!

FOR REAL?!

THAT'S RIGHT. CAPE BUFFALO ARE HEROES TOO.

HU HU!!

HE... HE'S A HERO! I THOUGHT HE MIGHT BE, BECAUSE OF THE CAPE!

AWESOME! I'VE NEVER SEEN A REAL HERO BEFORE!

THAT'S THE GUY I MET AT SHIFT STATION.

IT'S THE LONG-NOSED GUY WHO GOT CAPTURED WITH FRANKY.

IT'S THE LONG-NOSED GUY WHO GOT INTO THE FRANKY HOUSE.

WELL, IF IT ISN'T USOPP.

AND YOU, SIR.

NUH, NUH...NICE TO MEET YOU.

MAY I HAVE YOUR AUTO-GRAPH?

SO... WHERE IS SNIPER ISLAND?!

YEAH!! WE DO NEED TO DO THAT.

HE TOLD ME TO POUR ALL MY ENERGIES INTO SAVING MS. ROBIN AND THEN LEFT.

HE'S SAFE. THERE'S ABSOLUTELY NO NEED TO WORRY ABOUT HIM.

AND ALSO...

BEFORE WE SAVE ROBIN...

THOSE CP9 PEOPLE HAVE MANAGED TO EXPLOIT A VULNERABILITY FROM ROBIN'S PAST.

SO THAT'S HOW IT IS.

I'M ONLY SAYING THAT JUST BECAUSE WE'RE GOING INTO ENEMY TERRITORY FOR HER DOESN'T MEAN ROBIN WILL ENTRUST HERSELF TO US.

I'M NOT MAKING EXCUSES FOR WHY WE FAILED TO TAKE HER BACK.

I'LL NEVER ALLOW THIS !!!

YAAAH !!

LIKE THAT HAS ANYTHING TO DO WITH ANYTHING !!!

I DUNNO WHAT TO BELIEVE!!!

ROBIN'S WORRIED ABOUT WHAT'S GOING TO HAPPEN TO US *AFTER* WE'VE SAVED HER! SHE'S IN PAIN!!

WELL, COME ON!! WHY IS SHE SO AGAINST US COMING TO SAVE HER?!

WHY?!

ROBIN, YOU'RE A JERK !!!

クパー!!!

IT'S NOT LIKE SHE ACTUALLY WANTS TO DIE, SO WE'RE GONNA GO SAVE HER!!!

IF WE LEAVE HER, ROBIN'LL BE KILLED !!!

.....

I'M GONNA GO SEND EVERYTHING AND EVERYONE FLYING !!!

JUST DROP IT. IT DOESN'T CHANGE WHAT WE HAVE TO DO. WE JUST HAVE TO SAVE HER.

WELL, OF COURSE THAT'S TRUE, BUT...

I'VE GOT A MOVE I WANNA TRY OUT TOO...

THE GATES OF JUSTICE ARE AT THE BACK OF THE ISLAND, AND IT LOOKS LIKE YOU CAN ONLY GET THERE FROM THE TOWER OF LAW.

GATES OF JUSTICE

TOWER OF LAW

COURTHOUSE

IRON FENCE

ISLAND GATE

MAIN GATE

CURRENT LOCATION

I DREW THIS FROM MEMORY, AND MY MEMORY'S NOT GREAT, BUT...

...THIS IS THE BASIC CONFIGURATION OF ENIES LOBBY.

WHAT'S THAT BLACK PART?

PEOPLE, COME TAKE A LOOK AT THIS.

I'VE BEEN HERE ONCE BEFORE, TO DO MAINTENANCE ON THE TRACKS.

...THE ONLY ONES WHO CAN ACTUALLY WIN AGAINST CP9 IF THEY RUN ACROSS 'EM...

THAT SAID, EVEN IF WE ALL RUSH THE ISLAND...

...SOMEWHERE ON THIS STRAIGHT LINE FROM THE MAIN GATE TO THE GATES OF JUSTICE, WE'LL LOSE.

IN ANY CASE, IF WE CAN'T TAKE NICO ROBIN AND FRANKY...

THE BLACK PART'S A WATERFALL. WELL, YOU'LL SEE ONCE YOU GET THROUGH THE GATE.

AFTER RIDING ON THIS TRAIN WITH YOU, I'VE GOT A REAL CLEAR PICTURE OF HOW STRONG YOU ARE.

...ARE YOU GUYS.

...AND FORCE OPEN THE MAIN GATE AND THE ISLAND GATE SO THAT THE TRAIN CAN GET THROUGH!!

BEFORE YOU DO, WE'LL GO ON AHEAD...

AFTER THAT, NEVER MIND HOW MANY OF US GET TAKEN OUT. YOU JUST GO STRAIGHT AHEAD!!

...THEN LAUNCH YOURSELVES AND ROCKETMAN FROM THE MAIN GATE ONTO THE ISLAND PROPER!!

ISLAND GATE

MAIN GATE

SO YOU SHOULD WAIT HERE, ON THE OCEAN, FOR FIVE MINUTES...

JUST GO STRAIGHT AFTER CP9!!!

YOU STRAW HATS NEED TO AVOID POINTLESS FIGHTING.

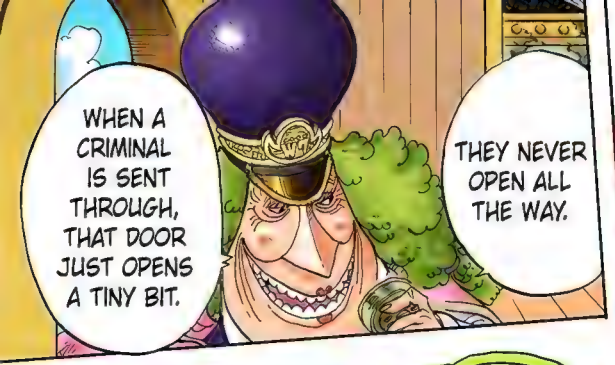
WE'VE ONLY GOT 60 MEN HERE! THE ENEMY'S GOT TO HAVE MORE THAN TWO OR THREE THOUSAND.

OKAY, PEOPLE, THERE'S THE FRONT OF THE ISLAND!!

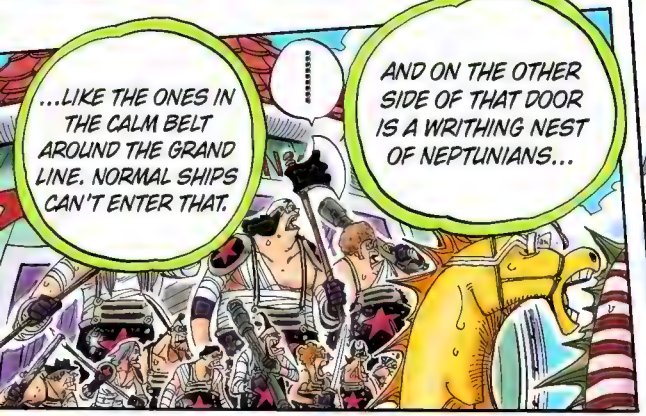
TAKE A REAL GOOD LOOK AT THE SKY BEHIND ENIES LOBBY!!

I GOT IT !!!

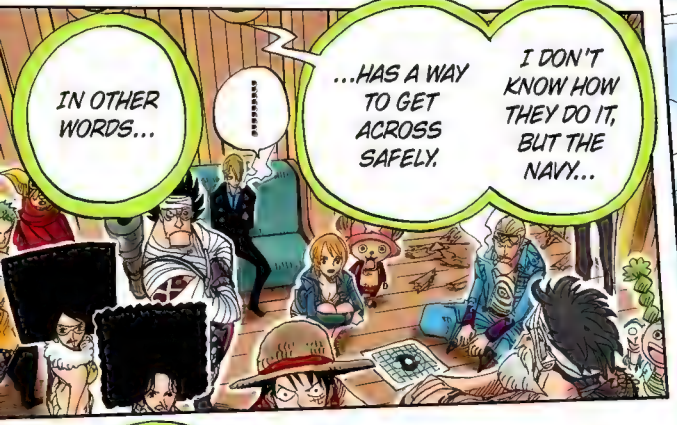
RIGHT !!!



WHEN A CRIMINAL IS SENT THROUGH, THAT DOOR JUST OPENS A TINY BIT.
THEY NEVER OPEN ALL THE WAY.



...LIKE THE ONES IN THE CALM BELT AROUND THE GRAND LINE. NORMAL SHIPS CAN'T ENTER THAT.
.....
AND ON THE OTHER SIDE OF THAT DOOR IS A WRITHING NEST OF NEPTUNIANS...



IN OTHER WORDS...
.....
...HAS A WAY TO GET ACROSS SAFELY.
I DON'T KNOW HOW THEY DO IT, BUT THE NAVY...
